She said, *“As ICA Events, we pray for Allah’s mercy upon those who lost their lives in the earthquakes, offer our condolences to their loved ones, and wish those injured a speedy recovery. As a nation, we need to devote ourselves to our work to rebuild the provinces affected by the earthquakes. This can only be achieved through hard work. Our exhibition, which plays an active role in the promotion of our country, was postponed due to the earthquakes. We have rescheduled our exhibition for April 12 to 15, 2023.”*
